SELECTMEN'S REPORT

The Board of Selectmen is pleased to present this overview of 1992.

Careful planning with department heads resulted in a reduction of the tax rate on the town side of the ledger for the second year in a row. Although the rate was reduced by 56 cents we were able to accomplish many goals and to restore capital reserve funding of the Fire, Rescue Squad and Highway Departments accounts.

We purchased a new stainless steel salt/sand spreader for the Public Works Department and a cruiser for the police.

Portions of Patterson Hill and Foster Hill Roads were paved.

The Board adopted several ordinances specifically a Bicycle and People Powered Ordinance, Riverfront Park Ordinance, a policy governing Cash Management, and an Illegal Possession of Drug Paraphernalia Ordinance.

The Planning Board completed development of and adopted Site Plan Review Regulations.

The Police Department has been busy with the receipt of grants to provide additional patrol coverage on Routes 202/9 and continued discussions with the state to reduce the number of accidents on this roadway.

At the Transfer Station/Recycling Center the purchase and installation of the waste oil furnace was completed and the town is now accepting used oil.

Animal Control efforts have been intensified especially as it relates to licensing of dogs. We wish to remind all individuals that you are required, by law, to register your dog prior to April 30. Further, cats must now be vaccinated against rabies.

The Athletic and Recreation program continues to grow and the Board increased the size of the committee by appointing more members.

We completed needed repairs to the sewer line running under the Route 114 bridge and more than one-third of the collection system was inspected via video cameras. The second clarifier and skimmer have been rehabilitated at the WWTP.

One of Henniker's volunteers was recognized as worthy of distinction and emulation. James Crane received acclamation when he was recognized by the New Hampshire Municipal Association as Volunteer of the Year; one of only 10 individuals so recognized we are most pleased with Jim's deserved recognition for his efforts on behalf of Henniker. Congratulations Jim!

The Board wishes to recognize for 20 years of service Don Chagnon, who retired his active status as a police officer. Feted with a retirement party Don received a lifetime hunting and fishing license from the town, a fitting reward for an exemplary career in law enforcement.

After 15 years of service to this community Janet Murdough resigned October 31, 1992, as Town Clerk/Tax Collector. We, the Board of Selectmen thank Janet on behalf of the entire community and wish her a happy and long deserved retirement.

With Janet's departure Deputy Town Clerk/Tax Collector, Kim Johnson, assumed the responsibilities of the office. Kim is assisted by Sue Anderson.

We experienced some transition within the Office with the departure of Margie Lindsley who served as Bookkeeper. Beverly Cotton was hired however, was on board only a short time prior to returning to private industry. Russell Roy was hired in September and now performs the Bookkeeping responsibilities.

John Hendrickson left as Code Enforcement Officer and Kelly Dearborn-Luce now fills the position.

Waste water, likewise, saw some transition as Michael Richards assumed the position as Chief Operator only to be later replaced by Ken Levesque.

At the Transfer Station we mourned the loss of Victor Kney who passed away in July, Francis Taylor retired after numerous years of service.

In looking ahead 1993 offers no frills but a continuation of maintaining the status quo. We seek to continue work in repairing our road infrastructure, purchase a new vehicle for the Highway Department and install a well at the Transfer Station.

Further, projects that continue to receive a high level of attention are resolving the septage situation at the waste water plant, a means to ensure the safety of motorist and pedestrian in Proctor Square, and finalizing plans for the Public Safety Building and Town Hall renovations.

Issues to be considered at Town Meeting include adoption of a Noise Ordinance, Assembly Permit and a Waste Management Ordinance governing solid waste disposal.

In closing, the Board wishes to remind all residents of the responsibility to complete and return the Inventory of Taxable Property form to be mailed in March. It is imperative that they be filled out completely and returned to the Selectmen's Office before April 15 so as to avoid a penalty.

Wayne E. Colby, Chair
Kenneth W. Ward
William R. Belanger

TOWN OF HENNIKER
ELECTED AND APPOINTED OFFICIALS

STATE SENATOR
(Elected to office every two years)
David P. Currier

REPRESENTATIVE TO THE GENERAL COURT
(Elected to office every two years)

RECORD OF AFFIRMATIVE VOTES
AT ANNUAL TOWN MEETING 1992
MARCH 10 & MARCH 11, 1992

Polls opened at 10:00 a.m. and voting commenced on the following:

To vote on the following:
Are you in favor of the adoption of the following amendments to the Town of Henniker Zoning Ordinance as proposed by the Planning Board?

ARTICLE 2. FAILED to require that all waste disposal systems be located at least 125 feet from wetlands.
Ballot vote Yes 352 No 395

ARTICLE 3. VOTED t o permit the limited use of flags and banners for business purposes subject to current size regulations for signs.
Ballot vote Yes 552 No 202

ARTICLE 4. VOTED to revise the Floodplain Development Ordinance to include definitions of "Historic Structure and "Substantial Damage" and to add conditions for "Variances and Appeals." (As recommended by the Central New Hampshire Regional Planning Commission.)
Ballot vote Yes 444 No 272

ARTICLE 5. FAILED to change Institutional use as a permitted use in the CV, CM, RV, and RN (that portion south of the river) zones from Special Exception to permitted by right and to establish specific parking requirements for such uses. (Because dormitories, sororities and fraternities are defined as multi unit dwellings they are unaffected by this change.)
Ballot vote Yes 320 No 376

ARTICLE 6. FAILED to allow by Special Exception Recreational Camping Parks in the RN, RR, CM, and CR, zones.
Ballot vote Yes 303 No 414

The Meeting reconvened on March 11 at the Cogswell Memorial School Auditorium at 7:00 p.m. to act on the following:

ARTICLE 7. DISMISSED to see if the Town will vote to raise and appropriate the sum of ninety five thousand dollars ($95,000.) for the construction of a new 12,000 gallon septage tank to be located at the Waste Water Treatment Facility and to authorize the issuance of not more than ninety five thousand dollars ($95,000.) of bonds or notes in accordance with the provisions of the Municipal Finance Act, RSA Chapter 33, and to authorize the Selectmen to issue and negotiate such bonds or notes and to determine the rate of interest thereon; furthermore, to accept any federal, state or private funds available for said purposes. (2/3 ballot vote required.)
Preliminary standing vote indicated lack of support for required ballot vote.

ARTICLE 8. VOTED accept the reports of the Town Officers, Library Trustees, Trustees of Trust Funds and other Committees, and to include the reports which arrived late to the printer, and are available at the Selectmen's Office, and at the back of the hall.

ARTICLE 9. VOTED to raise and appropriate the sum of $710,243. to defray Town charges for the ensuing year, divided as follows:

Board/Committees/Elected	18,432.
Town Clerk	27,143.

Tax Collector	20,234.
Town Offices	147,093.
Election & Registration	3,861.
Cemeteries	5,000.
General Govt. Buildings	42,240.
Planning	10,000.
Zoning	2,450.
Legal	10,000.
Regional Commissions/NHMA	1,430.
Tax Maps	3,325.
Community Action	3,723.
Hydrant Rental	3,000.
Office of Emergency Mgmt	500.
Communications	31,583.
Code Enforcement	14,381.
Street Lights	15,000.
Animal Control	6,255.
Visiting Nurse Association	3,090.
General Assistance	20,000.
Patriotic Purposes	1,100.
Conservation Commission	950.
White Birch Community Center	4,033.
Principal-Notes & Bonds	65,000.
Interest-Notes & Bonds	50,045.
Tax Anticipation Notes	31,000.
Insurance	168,160.
	710,243.

and that the Town Officers be paid at the following rates:
Selectmen and Treasurer at $1,500. per year;
Town Clerk at $11,500.
Collector of Taxes and Sewer & Water Assessments at $11,500 per year;
Director of Welfare at $6.00 per hour;
Ballot Clerks, Health Officer, Supervisors of Checklist, Surveyors of Wood and Lumber, and Moderator at $4.25 per hour.

ARTICLE 10. VOTED to raise and appropriate the sum of $293,913. for the maintenance of the Police Department.

ARTICLE 11. VOTED to raise and appropriate the sum of fourteen thousand six hundred and eighty-eight dollars ($14,688.) for the purchase of a new police cruiser.

ARTICLE 12. VOTED to raise and appropriate the sum of $44,655. maintenance of the Fire Department.

ARTICLE 13. VOTED to raise and appropriate the sum of five thousand dollars ($5,000.) to be added to the Capital Reserve Fund established in 1988 under the provisions of RSA 35:1 for the purpose of a fire truck.

ARTICLE 14. VOTED to raise and appropriate the sum of $12,300. for the Rescue Squad.

ARTICLE 15. VOTED to establish a Capital Reserve Fund under the provisions of RSA 35:1 for the purpose of an ambulance for the Rescue Squad, and to raise and appropriate the sum of five

thousand dollars ($5,000.) to be placed in this fund.

ARTICLE 16. VOTED to raise and appropriate the sum of $306,639. for the maintenance of the Highway Department and for the repair and maintenance of highways and sidewalks.

ARTICLE 17. VOTED to raise and appropriate the sum of $3,350 for construction of the sidewalk project along Old Concord Road.

ARTICLE 18. VOTED to raise and appropriate the sum of thirteen thousand two hundred seventy dollars ($13,270.) to purchase a new stainless steel salt/sand spreader.

ARTICLE 19. VOTED to establish a Capital Reserve Fund under the provisions of RSA 35:1 for the purpose of Highway Heavy Equipment and to raise and appropriate the sum of ten thousand dollars ($10,000.) to be placed in this fund, and to designate the Selectmen as agents to expend.

ARTICLE 20. FAILED to vote to establish a Capital Reserve Fund under the provisions for RSA 35:1 for the purpose of Bridge Reconstruction and to raise and appropriate the sum of ten thousand dollars (10,000.) toward this purpose, and to designate the Selectmen as agent to expend.

ARTICLE 21. VOTED to raise and appropriate the sum of one hundred thousand dollars ($100,000.) for 1992 road improvements contingent upon the receipt of the town's share of the Highway Block Grant.

ARTICLE 22. VOTED to raise and appropriate the sum of $162,627. for Solid Waste Disposal.

ARTICLE 23. VOTED to raise and appropriate the sum of $14,341. for Landfill Closure.

ARTICLE 24. VOTED to amend the Landfill Regulation Ordinance to allow the acceptance of non-friable asbestos material in compliance with the rules promulgated by the State of New Hampshire, Department of Environmental Services, Waste Management Division.

ARTICLE 25. VOTED to raise and appropriate the sum of three thousand one hundred thirteen dollars ($3113.) as its contribution toward the Household Hazardous Waste Collection Day in cooperation with surrounding towns.

ARTICLE 26. VOTED to instruct the Board of Selectmen to enter into an agreement with the Henniker Lion's Club to continue the aluminum can recycling program in its present form with an annual accounting of pounds of cans recycled, income from recycling and use of income.

ARTICLE 27. VOTED to raise and appropriate the sum of $40,000 for the Tucker Free Library.

ARTICLE 28. VOTED to authorize the Trustees of Tucker Free Library to apply for, accept and expend, without further action by the Town Meeting, money from state, federal or other governmental unit or private source, which becomes available during the fiscal year, in accordance with the procedures set forth in RSA 202-A:4-c.

ARTICLE 29. VOTED to raise and appropriate the sum of $16,390. to support the Henniker Athletic and Recreation Programs.

ARTICLE 30. VOTED to raise and appropriate the sum of $2,730. to support the Band Concerts.

ARTICLE 31. VOTED to raise and appropriate the sum of $188,374. for the operating expenses of

the Waste Water Treatment Plant. This sum is to be funded by sewer assessments.

ARTICLE 32. VOTED to establish a Sewer Fund under the provisions of RSA 149-I:10 for the purpose of repair and replacement of the Waste Water collection, pumping and treatment system and to instruct the Trustees of Trust Funds to deposit all funds presently in the so called "Sewer Capital Reserve Fund" into said Fund to be held by the Town Treasurer.

ARTICLE 33. VOTED to authorize the Selectmen to borrow money in anticipation of taxes.

ARTICLE 34. VOTED to raise and appropriate the sum of $183,799. for the operating expenses of the Cogswell Spring Water Works. This sum to be funded by water assessments.

ARTICLE 35. VOTED to raise and appropriate the sum of five thousand two hundred eighty dollars ($5,280.) for the purpose of pruning and removal of trees in Azalea and Community Parks.

ARTICLE 36. VOTED that before a swimming area can be constructed it be brought back before the Town for a vote, and, that the restoration of Azalea Park proceed without the construction of a swimming area.

ARTICLE 37. VOTED to authorize the Board of Selectmen to apply for, receive and expend federal and state grants which may become available during the course of the year and also to accept and expend money from any other governmental unit or private sources to be used for purposes for which the municipality may legally appropriate money in accordance with RSA 31:95-b, provided the Board holds a public hearing prior to accepting grants or funds.

ARTICLE 38. VOTED to authorize the Board of Selectmen to accept gifts of personal property, other than cash to the Town for any public purposes. This authorization in accordance with RSA 31:95-e shall remain in effect until rescinded by a vote of the Town Meeting.

ARTICLE 39. VOTED to establish a committee of not more than 7 people, to be appointed by the selectmen, to study the feasibility of the Town converting to an optional fiscal year, July to June, as provided for in RSA 31:94-a. Said committee is to make a presentation to the 1993 Annual Town Meeting.

ARTICLE 40. VOTED to authorize the Selectmen to sell by sealed bid or public auction any lands which become available through the real estate tax lien procedure.

ARTICLE 41. VOTED to authorize the conservation Commission to retain the unexpended portion of its annual appropriation, said funds to be placed in a Conservation Fund as authorized by RSA 36-A:5,I. (By request of the Conservation Commission.)

ARTICLE 42. VOTED to instruct the Selectmen and the Recycling Committee to propose a comprehensive waste management ordinance that promotes recycling of solid waste to the greatest extent practicable.

ARTICLE 43. INDEFINITELY POSTPONED amending the Henniker Noise Ordinance by adopting the following new sections:

SECTION 1. It shall be unlawful to operate, play, or permit the operation or playing of any radio, television, phonograph, drum, musical instrument, sound amplifier, or similar device which produces, reproduces,or amplifies sound between the hours of 11:00 p.m. and 7:00 a.m., in such a manner as to create a noise disturbance across a real property boundary.

Section 2. It shall be unlawful to cause a noise disturbance across a real property line by

operating any mechanically powered saw, grinder, drill, lawn mower, or garden tool or similar device used outdoors, with the exception of snowblowers, between the hours of 10:00 p.m. and 6:00 a.m.

ARTICLE 44. VOTED to authorize and direct the Selectmen to convey Lot 281-A to Susan P. Williamson for $6,782.38, Taking as payment a Promissory Note for that amount secured by a First Mortgage paid at ten percent (10%) interest, monthly payments of $218.85 until paid (36 payments), no prepayment penalty, ten percent (10%) late payment penalty after ten (10) days, full balance due if in arrears more than 30 days.

ARTICLE 45. To transact any other business that may properly come before this meeting. Have we any such motions? NONE.

A True Copy Attest:
Janet Murdough, Town Clerk
Henniker, N.H.

HENNIKER LION'S CLUB

Thanks to the continued support of those involved in the voluntary recycling of aluminum cans, the Lion's Club recycled 9,485 lbs. of aluminum cans and received approximately $.26 per pound. The proceeds were used to assist local residents and programs only.

As voted at last year's Town Meeting, an accounting of the funds is provided below.

Account Balance January 1, 1992	$	200
Amount Received in 1992		2470
TOTAL	$	2670
Expenditures:		
Bloodmobile	$	50
Scholarship		100
School Drug Prevention Program		250
Diabetes Camp		550
Glasses and eye care		470
School Vision Screening		100
Water at Landfill		60
Memoral Day Awards		50
Tire removal at Landfill		750
TOTAL	$	2530
ENDING BALANCE	$	140

The processing and transportation (16 trips) of the cans was done by volunteers at no cost to the Town. Over one third of the proceeds paid for activities at the Landfill, drinking water for the attendants and tire removal.

We appreciate the continued support by fellow townspeople in our many endeavors.

Sincerely,
William R. Belanger
Treasurer

OPTIONAL FISCAL YEAR STUDY COMMITTEE

In March 1992, Town Meeting adopted Warrant Article 39 which "establish[ed] a committee of not more than 7 people...to study the feasibility of the Town converting to an optional fiscal year, July to June..." Said committee is to report the results of its findings to the Town.

Shortly after Town Meeting the Board of Selectmen appointed Ken Ward, Selectmen's Representative, Carol Hockmeyer, Janice Hale, Kelli Conneely, Jim Crane and Bryce Cleveland to review the concept.

Initially the committee reviewed how it wished to proceed with the project and with whom it wished to speak with in regards to whether this was a viable option for the Town.

The Committee noted that there are presently 23 communities which operate under a July-June fiscal year. Of those 23, 5 communities are smaller than Henniker and 10 of the 23 are below 10,000 in population. Henniker's population is 4,151.

20 communities send tax bills semi-annually and 12 are Municipal Budget Act towns, meaning they have formal budget committees responsible for presenting budgets to the Town Meeting.

Lastly, of the 23 communities, 11 are governed by Board of Selectmen with 8 of the 10 smaller communities falling into this category.

The committee determined that they wished to obtain feedback from the smaller communities as to why they made the conversion, problems they experienced and recommendations they would like to pass along if Henniker chose to implement such a program.

A majority of the communities chose the optional fiscal year as a means to reduce the expense of borrowing in anticipation of taxes, the second reason being to "stop expenditures of funds prior to raising" and adopting a budget.

All communities, without question, noted that the biggest pitfall was that an 18 month budget needed to be adopted in order to implement the transition to the July-June year. All communities noted that this initial transitions time was difficult and that it was implemented by holding spending to only necessary items and bonding the transition.

The positive benefit was that in a greater majority of cases the reliance on borrowing in anticipation of taxes was reduced to zero.

Given that information the committee met with a former representative of the Department of Revenue Administration to discuss this program, some members remained skeptical as to the benefits for Henniker in such a conversion.

After a lengthy discussion and a review of the data submitted from communities it was determined that, at this time, the Town should forego any move to implement such a program. The committee feels that the development of an 18 month transitional budget would be most difficult and that there would not be any real savings to the town.

Therefore, the committee recommends that the Town of Henniker remain in a calendar fiscal year.

PLANNING BOARD

At the March 1992 Town Meeting the voters approved the following amendments to the zoning ordinance:

1. To permit the limited use of flags and banners for business purposes subject to current size regulations for signs.
2. To revise the Floodplain Development Ordinance to include definitions of "Historic Structure" and "Substantial Damage" and to add conditions for "Variances and Appeals." (As recommended by the Regional Planning Commission).

The Board has used the lull in construction activity to complete an old project. Site Plan Review regulations were authorized by Town Meeting over two years ago but until this year the Board was unable to draft or hold public hearings on them. The Board has refined the applicability requirements of the regulations in response to several applications which were for projects the Board felt would have no significant impact on the properties or neighborhoods in which they were situated.

The Planning Board hopes that the Site Plan Review process will permit the Board of Selectmen, who until now have only had the authority to enforce the basic requirements of zoning in its broadest outlines, to ensure that issues of "good planning" will be addressed by property owners and developers for the greater safety, convenience and economy of the residents of Henniker.

This year voters will be asked to approve an amendment to the Zoning Ordinance which wll include the word "structure" in all sections dealing with setback requirements. The Planning Board was concerned that the present wording is ambiguous and does not specify such things as lamp poles or antennas, which although not buildings, are structures which should observe the setback regulations.

Nancy Foley-Sippel, Chairman

ZONING BOARD OF ADJUSTMENT

The Zoning Board of Adjustment heard twenty appeals in 1992. The last time the ZBA heard this many cases in one year was in 1989, with eighteen cases.

Sixteen applications were for Variances; eleven of which were approved, four denied and one postponed for a hearing with a full board.

Three applications were for a Special Exception, all of which were approved.

One application was a request for a rehearing which was granted, but the original decision was upheld.

The Board has had to accept the loss of two members in 1992. Regular member William Abbott and alternate member Betty Sargent both tendered their resignations. The Board has been shorthanded for the past few months. Alternate member John Partridge has been appointed to full membership, which leaves the Board with no back-up members. Anyone who is interested in serving on the Board of Adjustment is encouraged to speak to the Board of Selectmen for appointment as an alternate member. An alternate member is not required to attend every meeting; only those from which one or more full members are absent.

Paul Rosa, Clerk

POLICE DEPARTMENT

The past year again proved to be a very busy one for the department. Once again tragedy on Route 202/9 rocked our community as did two arson fires that were purposely started in the more compact part of town. We spent numerous hours doing criminal investigations for burglaries, thefts, criminal mischiefs and sexual assaults, etc. In addition we also brought 1209 cases (criminal and motor vehicle) before the Henniker District Court.

However, not all of the news was bad. Residential burglaries decreased a little, and thefts decreased significantly. Of course even one burglary is too many and we will work diligently in the coming year to protect your property. However, this is proving to be increasingly more difficult in our highly mobile society. In December for instance, we began a burglary investigation that led us into the State of Vermont to interview two nineteen year old males who we believe committed the burglary.

Not so many years ago, crimes such as burglary seemed to be a more localized problem than today. Our investigations reveal that many of our crimes are being committed by people other than those residing in our community. One of our goals for 1993 is to institute some type of Neighborhood Watch program and get it in place within our various neighborhoods. We will be seeking host homes in the various neighborhoods to explain this program to you and your neighbors. If you would like to volunteer your home, please notify us. In the meantime, if you ever notice anything suspicious or out of place in your neck of the woods, please call us and give us the opportunity to check it out. The idea of having us check your home while you are away has caught on quite well. During 1992 we checked well over 200 residences, twice a day, while the owners or tenants were on vacation or out of town for some other reason. This is a service that is valuable to you and of assistance to us as a crime prevention tool.

As a point of interest, the State of New Hampshire will have 911 as an emergency phone number everywhere in the State by 1995. One of the conditions of a community such as ours being admitted to the 911 system is that each and every dwelling be numbered. I believe most residences in town are numbered but there are some that are not. We will have to address that issue sometime in the not too distant future. If your residence is numbered please place the number either on your mailbox or in some conspicuous location on your home. A visible number for a responding emergency unit is as good as raising a red flag. If you do not have numbers on your mailbox or home, please make that one of your goals for 1993.

Finally, as always, I would like to sincerely thank all of the people who support this department with their kind words, letters and many cards that are sent to the department and individual officers. I can assure you that your thoughtfulness is sincerely appreciated by each and every one of us.

Please feel free to stop by and say hello anytime!

Respectfully submitted,
Timothy Russell
Chief of Police

REPORT OF TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

1992 was below average for wildfires reported in our state. Our largest fire was in May in Rumney where a suspicious origin fire burned approximately 150 acres with a total cost of approximately $30,000. The NH Division of Forests and Lands assisted many other communities in wildland fire suppression as well.

Our fire lookout towers reported 289 fires, burning a total of 136 acres. Our major causes of fires were fires kindled without a permit, unknown causes and children.

Please help your town and state forest fire officials with fire prevention. New Hampshire State Law (RSA 224:27) requires that, "No person, firm or corporation shall kindle or cause to be kindled any fire or burn or cause to be burned any material in the open, except when the ground is covered with snow, without first obtaining a written fire permit from the Forest Fire Warden of the town where the burning is to be done." Violation of this statute is a misdemeanor, punishable by a fine of up to $1,000 and/or a year in jail and you are liable for all fire suppression costs.

Local fire departments are responsible for suppressing fires. The small average fire size of .47 acre/fire is a tribute to early detection by the public or our fire tower system and the quick response of our trained local fire departments. Please help your Warden and fire department by requesting and obtaining a fire permit before kindling an open fire.

The NH Division of Forests and Lands assisted 28 towns with a total of $20,000 in 50/50 cost share grants for fire fighter safety items and wildland suppression equipment in 1992.

If you have any questions regarding New Hampshire forest fire laws, please contact your local Forest Fire Warden, State Forest Ranger, or Division of Forests and Lands at 271-2217.

Forest Fire Statistics 1992

	State	District
Number of fires	289	59
Acres burned	136	29

CODE ENFORCEMENT OFFICER

I would like to thank everyone who helped me to serve the public and welcomed me to the community. I find the employees, residents and contractors of the Town of Henniker friendly and enjoyable to work with.

As Health Officer and Code Enforcer I have answered numerous complaints pertaining to junkyards, septic failures, abandoned buildings, and other concerns.

Overall the year 1992 was better than some economists predicted. We issued 112 building permits this year. Compared to last year that is an increase of approximately 1 1/2%.

I am looking forward to an exciting new year.

Respectfully Submitted,
Kelly Dearborn-Luce

Total number of permits issued = 112

Permits by month:

January	2	July	11
February	5	August	6
March	4	September	11
April	14	October	13
May	7	November	10
June	25	December	4

Reasons for applications:

Additions	24	Pools	3
Antennae	3	Porches	2
Barns	3	Replacements	2
Bridge	1	Renovations	10
Dance studio	1	Roof	1
Decks	10	Septic	6
Demolitions	3	Sheds	8
Fences	3	Signs	13
Garages	5	Trailers	3
Houses	6	Denied	4
New building	1		

DEPARTMENT OF PUBLIC WORKS

1992 was a very productive year for the Public Works Department. Being the first full year of operation since reorganization we found better utilization in manpower and a greater oversight over the 3 departments - Highway, Solid Waste and Wastewater.

The highway department was busy in 1992. In addition to our basic functions of winter and summer road maintenance several large projects were completed.

We replaced 12 culverts in various locations including one four-foot culvert and one three-foot culvert. Major reconstructions of sections of Foster Hill Road and Patterson Hill Road were completed with some of the drainage and preparation work being performed by town forces. Geotextile fabrics were used to correct drainage problems on Dodge Hill Road and Gould Pond Road and a considerable amount of gravel was added to each location. Ditching, drainage work and pavement shimming have reduced water problems on the Old Concord Road. A great deal of roadside brush cutting was done throughout the town.

The highway crew fabricated a spreader hanger which allows us to hang three sand spreaders under cover. This structure was built primarily with surplus materials at very little cost to the town.

A program of regular safety training for department employees was undertaken this year.

During 1992, the State permitted our landfill to accept non-friable asbestos from Henniker residents. This includes asbestos siding and wallboard. See the transfer station attendant for rules pertaining to asbestos prior to bringing any to the landfill.

Approximately 3300 used tires have been removed from the transfer station. We anticipate removing more in the coming year. Tin cans were added to the growing list of recyclable items handled at the transfer station.

A waste oil furnace was installed allowing us to receive used oil from Henniker homes and businesses. The furnace heats the recycling/baling area thereby improving working conditions in the winter months.

Work continues on the landfill closure plan with Dufresne-Henry Engineering firm.

The Waste Water Treatment Plant staff were, once again, selected winners of the US EPA Region I Operations and Maintenance Excellence Award. This award is presented in recognition of the staff's commitment to clean water through continued outstanding operation and maintenance and consistent compliance with permit limits.

Ken Levesque was hired as the Chief Operator and started with the town in September. He has proven to be a valuable addition to the staff.

Approximately one fifth of the wastewater collection system was inspected using TV cameras and flushed using a high pressure cleaner. The system was found to be in generally good condition. The Bradford Road sewer which is exposed under the bridge on the Rte. 202 overpass was fitted with a heat tape system and reinsulated to correct freezing problems which have been encountered in past years.

Full surface skimming was installed in clarifier #2 which will capture floating solids and improve the plant effluent. Several pieces of equipment were replaced at the plant, including a sludge return pump, an effluent flow meter and the lab water purification system. A fire alarm system was installed to protect the treatment plant buildings.

I wish to personally commend the work of all the employees in the Department of Public Works. Though they are a small crew, their dedication, commitment and abilities allow a significant amount of work to be performed and with excellent results. My hat is off to all of them.

Thomas A. Woodley
Director of Public Works

RECYCLING COMMITTEE

For the year ending 1993, 365 tons of recyclables were recovered from a total of 2367 tons received at the Recycling Center and Transfer Station (exclusive of material dumped at the landfill or burned in the burn pile). This recovery rate of 15% reduced the town's costs by $17,445 as a result of avoiding the expense of sending this material to the Penacook incinerator and also receiving revenue from the sale of the recyclable materials. There was a 14% increase in the weight of materials recycled or 365 tons in 1992 vs 320 tons in 1991. Congratulations to all of you recyclers!

At the annual Meeting in March 1992, the Town voted "to instruct the Selectmen with the assistance of the Recycling Committee, to propose a comprehensive waste management ordinance that promotes the recycling of solid waste to the greatest extent practicable."

In preparation for developing a draft ordinance, the Recycling Committee collected a wide range of information regarding economic and environmental aspects of recycling,incineration and landfilling, federal, state and Town plans and regulations for disposing of solid waste, and solid waste ordinances from other New Hampshire towns. This information was placed in the Tucker Free Library in September so all interested people could read it.

On Saturday July 20, several members of the Committee and other volunteers sorted the waste brought to the Recycling Center and Transfer Station by 39 households. We found that about 44% of this waste, by weight, was material that could be recycled now at the Recycling Center, i.e., it was newspaper and office paper, cardboard, plastic milk jugs, plastic soda bottles, aluminum cans, glass jars and bottles and tin cans. A detailed report of the findings is available for review at the Tucker Free Library. Special thanks go to Martha Sunderland who organized and led the trash sort and assembled data.

The Committee held two special public meetings at the Town Hall, one on October 26 and the other November 23, for the purpose of receiving public input on the proposed solid waste ordinance prior to beginning the drafting. We received some very helpful comments.

The Committee drafted an ordinance with the assistance of the Board of Selectmen in November and December. Two public hearings were held on the proposed Ordinance in January 1993 and the Town will vote on the refined version in March 1993.

Household Hazardous Waste Collection Day for Henniker households was held on October 3 in Warner. Members of the Committee helped publicize the event and assisted during the collection. Because the deposit site was held out of town, participation was down greatly. Less then 20 households participated in 1992 as compared to 111 in 1991, when the collection was as the Highway Garage. The Committee will work with Selectmen and the Director of Public Works to have the collection located in Henniker in 1993.

We provided assistance at the Recycling Center and Transfer Station on several occasions in 1992 by helping with the handling of the recyclables and by answering questions and receiving suggestions from people using the facility.

The Committee continued to work closely with students and teachers in the elementary and middle schools. Students in the classes of Craig Altobell and John Kendall have helped in the development of a logo and artwork for the Recycling Center. Thank you all very much.

The Committee will continue to assist townspeople in their efforts to reduce the wastestream and reuse and recycle all they can in the year to come.

Michael C. French
Beth Allen
Co-chairs

RESCUE SQUAD

This year the Rescue Squad experienced the greatest number of emergency calls in our 22 year history. At the close of December 1992, the members of the Squad responded to 278 calls for assistance. This represents a 30% increase over 1991. A significant number of these calls come during the weekday hours when help is the shortest.

The addition of emergency personnel was a major goal this past year. We added five new volunteers. Three former volunteers, Pat Luoma, Harold Morcombe, and Susan Passalaqua retired this past year and we thank them for all their selfless volunteer work as emergency medical technicians.

Basic Training for the new personnel, and recertification of all our returning technicians required most of our time and resources this year. This retraining will allow all of our advanced and basic EMT's the opportunity to renew their State Department of Health licenses and maintain the personnel strength of the Squad.

Increased assistance from both the Police Department and the members of the Fire Department have helped many times. I am impressed and grateful for the cooperation and coordination that the three Henniker Emergency Departments provide.

Goals for 1993 include purchasing a new portable cardiac monitor/ defibrillator unit. This will allow us to move the ten year old monitor to the second ambulance, and upgrade the first run ambulance with the latest cardiac technology. This purchase will be made with a combination of budget funds and monies raised from fund raising and donations. I would like to thank all of the community for your continued support.

The 1992 team of volunteers represents one of the best trained emergency responders in the history of the Squad. As I attend meetings with other emergency providers in the State, I am frequently told how good a team of volunteers Henniker has. The 1992 members include: James Crane, Chief; Varyl French, Asst. Chief; Steve Randall, Treasurer; Karan MacEachern, Training Officer; John Belt, Jr.; Brad Eaton; John Girourd; Shelagh Mannix; Kevin Mather; Cathy McComish; Shawn Mitchell; George Patterson; Rebecca Paul; Richard Reed; Kit Sanborn; and Peter Twombly.

Respectfully submitted,
James K. Crane, Chief

ANIMAL CONTROL OFFICER

The following is a brief summary of calls and complaints for 1 January to 31 December 1992.

Stray dogs	161
Barking dogs	63
Lost dogs	197
Cats	37
Goats	3
Dog/cat bites etc.	15
Abused/neglected animals	9
Stray pig	2
Other/misc	43
Information	14
TOTAL	534

The following animals were picked up and required retention and/or disposition.

Dogs	83
Cats	9
Sheep	3
Goats	1
Raccoons	5
Skunks	3

I wish to thank the people who have helped with the program to make Henniker a safer and peaceful neighborhood for all.

Also, I wish to remind all owners of dogs of their responsibility to ensure their animal has been properly vaccinated against rabies and properly licensed with the Town.

Remember, all dogs must be registered with the Town Clerk by April 30th.

Additionally, by action of the legislature, all cats must be vaccinated against rabies as of January 1, 1993.

Lastly, with the outbreak of rabies I strongly suggest that you avoid animals acting strangely, especially wild animals that should suddenly become friendly.

Your best defense is to leave the animal alone and call the Police Department or Animal Control Officer immediately. This disease can be fatal and it is better to call professionals to handle the situation than to attend to it yourself.

Sincerely,
Walter H. Crane

TUCKER FREE LIBRARY

This past year saw the completion of Phase I of the Tucker Free Library building project to make the library handicapped accessible, in accordance with the new American's With Disabilities Act. Much time and effort was needed to bring the project to a successful completion but the end result made it worth while. Hopefully, in the future, economic conditions will improve and funding will become available for Phase II of our plans which addresses the space needs existing in the areas of reference and non-fiction collections.

Throughout the year the library's schedule continued to be full with serving the public, presenting programs and accommodating the school children on their weekly visits. We believe that familiarity with the town library encourages the reading habit. This is witnessed by the fact that the summer programs had a record enrollment of 295 participants.

The Friends of the Library were very active and supportive during the year. Their annual book, bake and plant sale was the most successful ever, raising money with which to fund the childrens' summer programs and purchase books and a paperback rack.

The library continues to benefit from the proceeds of the town trust funds. Recently established trust funds, including the Sanborn Conner Brown, Scott J. Berry, Marjorie B. Bennett, James W. Doon, Francis O. Holmes, Mary F. Kjellman and Helene and Kenneth Dermon, allow the purchase of equipment or books in specific categories. The library is honored to be the recipient of these memorials.

As in past years, the library was fortunate to receive donations of various kinds, including money, books and magazines. The Tucker Free Library would like to publicly acknowledge the outstanding support and commitment which the community displays toward this institution.

Respectfully submitted,
Peggy Ward
Librarian

CONSERVATION COMMISSION

During 1992, the Conservation Commission continued working to ensure the proper utilization and protection of natural resources in the community. For the second year in a row, the Commission's primary focus has been the wetland evaluation project. This project, being conducted by the Commission and a group of volunteers, will provide the town with a comprehensive data base on its wetland resources. This data will be used to provide rational and prudent recommendations on applications for the dredging and filling of wetlands. Another by-product of the evaluation project will be the nomination of certain wetlands for prime designation. Under NH RSA 483-A:7, communities are allowed to designate as prime, wetlands that because of their size, unspoiled character, fragility, or uniqueness are determined to be of special importance. To date, approximately sixty of the eighty wetlands in the study have been evaluated. The evaluation of the remaining wetlands should be completed by early summer. By fall the Commission will present its recommendations for designation to the Planning Board. If this schedule is met, the designation of certain wetlands as prime will appear as a ballot item at Town Meeting 1994.

The Conservation Commission looks forward to working with interested citizens, town officials, and other Commissions and Boards concerned with the protection and use of Henniker's natural resources. For future projects the Commission is considering the identification of groundwater re-charge areas, an investigation into access to public waters and a clean-up of the Mud Pond area. Anyone concerned with environmental issues or interested in becoming a member of the Conservation Commission is encouraged to contact the Commission or attend our monthly meeting. The Commission meets the second Thursday of each month at 7:00 PM at the Town Hall.

Worthen Muzzey, Chair

COMMUNITY BAND

Once again the Henniker Community Band's summer and Christmas concerts were given to capacity audiences and the positive comments given, attested to the fact that the concerts were greatly enjoyed and appreciated by old and young alike.

The Band has grown in numbers and quality. The members come from all "walks of life", and from many communities in the area. Our rehearsals are held every Monday night at 7:30 PM in the Congregational Church Parish House. Rehearsals for our summer concerts begin in February and soon after our last concert, rehearsals begin for our Christmas/Holiday programs. During the year we also present our concerts at nursing homes and outdoor events.

Our repertoire, which is varied, includes marches, dance tunes, sing-alongs, patriotic songs, popular music, oldies, show tunes, and the ever present children's march activity.

On behalf of the Band, I invite new members to join in the making of a "joyful noise."

Our thanks and appreciation to the Town of Henniker and its citizens for their loyal support.

Sincerely,
Angela Robinson, Director

COGSWELL SPRING WATER WORKS
SUPERINTENDENTS REPORT

In 1992 the Environmental Protection Agency passed new regulations for lead and copper monitoring. At present the Water Works is monitoring 10 sample points. With the new regulations we will need to increase that number to 20 sample points in 1993. If your home or business is selected as a sample point, your cooperation will be appreciated.

Work on building #1 was completed, which included the installation of a 6 inch master meter and chart recorder to accurately tract the water flow. Work was also done in conjunction with the consulting firm, Stearns and Wheler, on the master plan for the Water Works. The information generated from this project is very important as it points out the areas in the system where improvements are needed.

Many of you saw us up on Davison Road in September. We were there to replace an old 3 inch iron pipe water main with 600 feet of 10 inch PVC pipe. The old line was installed in the late 1800's and was suspected to be leaking. When we finished the project there was a 50,000 gallon per day reduction in water consumption.

The pump in well #2 had to be pulled and repaired, 4 hydrants were replaced, 5 water main breaks were repaired, 2 blow-offs were installed on dead end lines for flushing purposes and 5 water service lines were replaced.

Norman R. Bumford
Superintendent

ENERGY COMMITTEE

The Energy Committee has continued to monitor issues of concern such as energy efficiency and tax credits for renewable energy sources.

The Committee will continue to work with town energy concerns as they arise and welcome citizen input.

Barbara C. French
Terrence Simkin
Michael C. French

EMERGENCY SERVICES COMMITTEE

The Emergency Services Committee continues to investigate the space needs of the Town hall services providers. A preliminary plan has been developed and is currently being reviewed.

The proposed new fire station planning effort continues. The fire department has developed the basic criteria and the engineering development of plans and estimated cost is in process.

The Emergency Services Committee is currently investigating the possibility of harvesting timber on town owned property and utilizing the proceeds to reduce taxpayers costs for the construction of a new fire station.

PARKS BOARD

Thank you, Pat Luoma, Walter "Cubby" Heath, Ron Caldwell, the French Farm and the Highway crew for an outstanding summer of care and upkeep of the parks. Thanks also to the Henniker Rotary Club and the NEC staff and students for their support of the clean-up of Azalea Park.

If all goes well, Azalea Park will reopen with benches and tables as well as repairs to the fence and walkways, by August 1993. There is still need for some clean-up sessions. If your organization would be interested in the restoration efforts, please call 428-7892.

The Parks Board needs some additional members. If you like gardening and have some free time, please call the number above.

The tree work was completed from the money appropriated at Town Meeting 1992. This year should be the last year for work at the previous level. By keeping a watchful eye and a good fertilization program going, we should help keep future costs down.

Thanks for all your support.
William R. Belanger

SWIMMING AND RECREATION COMMITTEE

After several meetings with federal and state agencies, the Swimming and Recreation Committee voted to have the swimming area located southeast of the Ramsdell Road Bridge (a/k/a Leatherboard Bridge). This is an ideal site for the swimming and recreation area. Plans are being drafted to pursue the cleaning of the area and implementation of the requirements required by the federal and state agencies. All the agencies have expressed a positive interest in this project.

Because this area was formally known as the Henniker Junction, the Committee voted to name this the Henniker Junction Swimming and Recreational Area.

There is a Warrant Article to release the Capital Reserve to be expended for this project at that site. Providing the Town votes to release the Capital Reserve funds, the project will commence with Phase I, clean-up, water sampling, flood capacity impact on neighborhood and layout of grounds to list a few of the tasks.

For the Committee,
Herve Aucoin, Chairman

TOWN WARRANT 1993
TOWN OF HENNIKER
STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of Henniker in the County of Merrimack in said State qualified to vote in Town Affairs:

You are hereby notified to meet at Cogswell Memorial School Auditorium in Henniker on **Tuesday** the **Ninth (9)** of **March**, next, at **ten (10:00)** of the clock in the morning to act upon the following:

1. To choose all necessary Town Officers for the Ensuing Year.

To vote on the following:

2. Are you in favor of amending the Henniker Zoning Ordinance to change sections 502.6 & 7, 602.7 & 8, 702.5 & 6, and 802.2 & 3 to include the word "structure" after the word "building."

3. Are you in favor of changing the tax collector's position from elected to appointed beginning with the term of the tax collector at next year's regular town meeting, and to authorize the Board of Selectmen to make said appointment.

THE POLLS WILL BE OPEN FROM 10:00 AM TO 8:00 PM FOR VOTING

You are hereby notified to meet at the Cogswell Memorial School Auditorium in said Henniker on **Wednesday** the **Tenth (10)** day of **March**, at **seven (7:00)** of the clock in the evening to act upon the following:

4. To hear and act upon the reports of the Town Officers, Library Trustees, Trustees of Trust Funds and other Committees.

5. To see what sum of money the Town will raise and appropriate for General Government purposes, Debt Service and Insurance.

6. To see what sum of money the Town will vote to raise and appropriate for Public Safety purposes.

7. To see if the Town will vote to raise and appropriate the sum of fourteen thousand two hundred dollars ($14,200) for the purchase of a new police cruiser.

8. To see if the Town will vote to authorize the expenditure of the proceeds from the sale of the Army truck, not to exceed $3,500, to the Fire Department for the purpose of purchasing fire equipment.

9. To see what sum of money the Town will vote to raise and appropriate for Highways and Streets, Bridges, Sidewalk and Solid Waste Disposal purposes.

10. To see if the Town will vote to raise and appropriate the sum of seventy-four thousand two hundred sixty eight dollars ($74,268) for the purchase of a new public works dump truck with hoist, plow push frame, wing push frame, hydraulics, spreader controls and installation.

11. To see if the Town will vote to raise and appropriate the sum of one hundred thousand dollars ($100,000) for 1993 road improvements contingent upon the receipt of the town's share of the Highway Block Grant.

12. To see if the Town will vote to raise and appropriate the sum of six thousand dollars ($6,000) for the drilling of a well, pump installation and piping into the recycling building.

13. To see if the Town will vote to establish a Capital Reserve Fund under the provisions of RSA 35:1 for the purpose of Capping the Landfill and to raise and appropriate the sum of fifty thousand dollars ($50,000) to be placed in this fund and to designate the Board of Selectmen as agents to expend. **(Majority vote required)**

14. To see if the Town will vote to raise and appropriate the sum of three thousand ninety-one dollars ($3,091) as its contribution toward the Household Hazardous Waste Collection Day in cooperation with surrounding towns and that said expenditure be release and expended only upon the Town of Henniker being selected host community.

15. To see what sum of money the Town will vote to raise and appropriate for the Health and Welfare purposes.

16. To see if the Town will vote to raise and appropriate the sum of six thousand four hundred ninety-five dollars ($6,495) for the purchase of a new Defibrillation unit for the Rescue Squad. Eight hundred dollars ($800) to come from donations with the balance of $5,695 to be raised from general taxation.

17. To see what sum of money the Town will vote to raise and appropriate for Culture and Recreation.

18. To see what sum of money the Town will vote to raise and appropriate for the Tucker Free Library.

19. To see if the Town will vote to authorize the Trustees of Tucker Free Library to apply for, accept and expend, without further action by the Town Meeting, money from state, federal or other governmental unit or private source, which becomes available during the fiscal year, in accordance with the procedures set forth in RSA 202-A:4-c.

20. To see if the Town will vote to raise and appropriate the sum of ten thousand dollars ($10,000.) for Capital Reserve purposes, to be appropriated as follows: five thousand dollars ($5,000) is to be added to the Fire Department Capital Reserve Account and five thousand dollars ($5,000) to be added to the Rescue Squad Capital Reserve Account previously established under the provisions of RSA 35:1.

21. To see what sum of money the Town will vote to raise and appropriate for the operating expenses of the Waste Water Treatment Plant. **This sum to be funded by sewer assessments.**

22. To see if the Town will vote to authorize the Sewer Commissioners to allow a portion of the grounds of the Charles E. Damour Waste Water Treatment Facility, to be used by a private company for the construction of a septage treatment facility, at no cost to the Town or sewer users.

23. To see what sum of money the Town will vote to raise and appropriate for the operating expenses of the Cogswell Spring Water Works. **This sum to be funded by water assessments.**

24. To see if the Town will vote to raise and appropriate the sum of five thousand dollars ($5,000) for pruning, cabling, takedown, root work and fertilization of trees around the Town Hall, Community Park, Woodman Memorial and Azalea Parks.

25. To see if the Town will vote to raise and appropriate the sum of eight thousand four hundred eighty dollars ($8,480) to be used for the development of a swimming area to be located southeast of the Ramsdell Road Bridge and to authorize the withdrawal of $8,480 from the Swimming Pool/Recreational Fund Capital Reserve Fund created for that purpose.

26. To see if the Town will vote to authorize the Selectmen to sell to Dennis Gregoire property previously owned by him located on Weare Road, State Route 114, Lot 592-D2, acquired by the town via tax deed. Said sale to be contingent upon the purchaser paying all back taxes, lien costs, accrued interests and taxes due during the ownership by the town and any expenses incurred, including but not limited to recording and attorney fees, for said transaction pursuant to RSA 80:80-III.

27. To see if the Town will vote to authorize the Board of Selectmen to apply for, receive and expend federal and state grants which may become available during the course of the year and also to accept and expend money from any other governmental unit or private sources to be used for purposes for which the municipality may legally appropriate money in accordance with RSA 31:95-b, provided the Board holds a public hearing prior to accepting grants or funds.

28. To see if the Town will vote to authorize the Selectmen to sell by sealed bid or public auction any property which become available through the real estate tax lien procedure or to disposed of such lands as justice may require pursuant to RSA 80:80.

29. To see if the Town will vote to establish a Capital Reserve Fund under the provisions of RSA 35:1 for the purpose of constructing a new municipal safety complex and to raise and appropriate the sum of five hundred dollars ($500) to be placed in this fund, furthermore, to designate the Board of Selectmen as agents to expend. **(Majority vote required)**

30. To see if the Town will authorize the Selectmen to inventory, harvest and sell mature trees located on Town owned lands.

31. Are you in favor of amending the Henniker Noise Ordinance as proposed by the Board of Selectmen.

32. Are you in favor of amending the Henniker Assembly Permit as proposed by the Board of Selectmen.

33. Are you in favor of amending the Henniker Waste Management Ordinance as proposed by the Board of Selectmen.

34. To direct the Selectmen to allow the display of a banner across Main Street for functions that benefit community welfare. **Submitted by Petition.**

35. To see if the Town of Henniker will perform regular year round roadway maintenance on Brown's Way Road to maintain it in its present gravel condition, from the Old Hillsboro Road to the former John Deere equipment shop. **Submitted by Petition.**

36. To transact any other business that may properly come before this meeting.

Given under our hands and seal this **19th** day of **February** in the year of our Lord, **Nineteen Hundred and Ninety-Three**.

HENNIKER BOARD OF SELECTMEN

OLD HOME DAYS COMMITTEE

Henniker was incorporated on November 10, 1768. The Committee has been actively meeting monthly to plan for the week-long gala celebration of the 225th Old Home Days to be celebrated from August 15-22, 1993. The 1993 celebration will be full of educational, historical, recreational and social activities showcasing Henniker. Events will include opening and closing ceremonies, the production of a time capsule, historical tours, artists, performers, various sports events, dinners, dances, events for children and much more. A full schedule of events will be available as we get closer to the celebration. We have preliminarily contacted other civic and fraternal organizations in town in an attempt to get diverse participation. Henniker is "The Only One On Earth". Let's make this the most memorable celebration in its history.

The committee still anticipates that various fundraising activities and a direct solicitation program over the next six months would make this celebration self-sustaining and no requests for town budget funding will be required. During 1992 we held one fundraiser and anticipate several others over the next few months.

Committee membership is open to any interested party with meetings held the third Thursday of every month (unless otherwise posted at Town Hall) at 7:00 PM at Daniel's Restaurant. If you are interested in participating in any phase of the celebration activities and/or planning please contact: Old Home Days Committee, PO Box 893 or call Debra Belanger 428-7892.

Submitted,
Debra Belanger

COMMUNITY ACTION PROGRAM
Kearsarge Valley

Over the past fourteen years, the Kearsarge Valley Community Action Program has been the focal point of social service delivery in this area, providing help when needed to the income eligible and elderly, as well as to the community at large.

As perhaps you are aware, Community Action Program Belknap-Merrimack Counties, Inc. generates funds through the mobilization of available federal, state and local monies. Support for the local Area Center is derived from a combination of federal appropriations and local tax dollars. This combination allows the Kearsarge Valley Community Action Program to provide a variety of services to the residents of your community, from the development of programs which meet local needs, to outreach, referral and direct assistance.

The staff of the Kearsarge Valley Area Center wishes to thank the Town of Henniker for its support in the past. With continued interest, we will be able to continue to provide needed services to the members of your community.

Sincerely,
Barbara Chellis, Area Director
Kearsarge Valley Area Center

CONCORD REGIONAL VISITING NURSE ASSOCIATION

The Concord Regional Visiting Nurse Association continues to offer three major health services to the residents of Henniker: Home Care, Hospice and Health Promotion.

Home Care services respond to the health care needs of those patients with acute or chronic illnesses that require skilled professional and para-professional care so they may return to or remain in their homes., Emphasis is on promoting independence and maximum functioning of the patient within the least restrictive setting.

Hospice services provide professional and para-professional services to the terminally ill patient with a limited life expectancy. The goal is to enhance the quality of the patient's remaining life by helping him/her remain at home in comfort and dignity. Emphasis is on pain and symptom management and skilled intervention to meet the patient's special and physical, emotional and spiritual needs.

Health Promotion services focus on the low and marginal income families and individuals to prevent illness by professional assessment and screening for health risks and needs, by early intervention to prevent, eliminate, or minimize the impact of illness and/or disability, and by anticipatory guidance and health teaching. Emphasis is on promoting healthy children, families and individuals through early intervention and health teaching. Services rendered in the clinic setting are: child health, family planning, sexually transmitted disease, adult screening, immunizations, and HIV (AIDS) testing and counseling. Home visits are made in crisis situations or when needed health care cannot be given in the clinic. Senior health services are provided at congregate housing sites. Professional and para-professional hourly home services are provided on a private fee-for-service basis. Health education and instruction are part of each home visit or clinic visit.

Anyone in Henniker may request service; patient, doctor, health facility, pastor, friend or neighbor. All requests are answered, but continuing home care will only be provided with a physician's order. A call to Concord Regional Visiting Nurse Association (224-4093) is all that is necessary to start services or make inquiries. The CRVNA office is open Monday through Friday from 7:30 am to 4:30 pm. A nurse is on call for hospice and home care patients; (224-4093) 4:30 pm - 7:30 am daily. Federal regulations specify a charge is applicable to all visits. Fees are scaled for the individual without health insurance and/or who is unable to pay the full charge. However, to fee scale, federal regulations require a financial statement be completed by the patient or responsible person. Town monies subsidize those visits that are scaled or where no fee is collectible.

This agency is certified as a Medicare/Medicaid Provider, licensed by the State of New Hampshire and is a member agency of the United Way of Merrimack County.

Total visits made during October 1, 1991 through September 30, 1992:

	No. of Clients	Visits
Home care/Hospice	47	1,312
Health Promotion	81	129
TOTAL	128	1,441

12 Senior Health Clinics
1 Flu Clinic

WHITE BIRCH COMMUNITY CENTER

White Birch Community Center (WBCC) is a private, non-profit organization which focuses on the recreational, educational and social needs of the community so as to enable people to create a balance of work and leisure. As well as offering youth programs and senior citizens programs, the Center also provides licensed child care and pre-school programs for children aged 18 months to 12 years.

YOUTH PROGRAM SUMMARY

The goal of our youth programs is to continue services to the children of Henniker.

From July through August, WBCC holds a Summer Camp for children. Camp offered 7 weeks of fun this past year; during "Unicorns and Dragons" week, the children went to the New London Barn Playhouse to see "Beauty and the Beast"; and during "Crossing the African Sahara" week, the children visited York's Wild Kingdom and learned about different customs when they ate dishes from African countries. Children in kindergarten through 4th grade filled 94 camper spaces.

Outdoor Adventure Days for youth in 5th to 8th grades offered trips for children this year. The eight trips had a total attendance of 130 children. In 1992 there were trips to Aquaboggan, Surf Coaster, a Whale Watch in Maine, Canobie Lake Park, Water Country, York's Wild Kingdom, and Odiorne Point. A bike clinic included a biking trip and a picnic at Tall Pines Cottages on Keyser Pond. This year, we added a trip to a Haunted House at Halloween time.

The 1992 Halloween Party had over 350 people in attendance. The Party at the NEC Field House featured Harry Lowenthal's music. The "Pied Piper" led the costume parade after which Costume Awards were given out. In addition to the Halloween Party, WBCC also sponsors a Children's Fair, Breakfast with Santa, and other special events. The Center wishes to acknowledge the Fraternity and Sorority organizations of New England College who offer valuable assistance in making these events possible.

SWIM PROGRAM

The 1992 Swim program served 100 children from ages 6-12, 25% more children than last summer. The program is offered at no cost to Henniker children and is taught by a Red Cross-certified instructor. Lessons are available in levels ranging from pre-swim to intermediate/swimmers. We hope to continue to serve many children with this important program.

SENIOR CITIZEN PROGRAM

WBCC has 352 Senior Citizens on our mailing list. Our goal is to continue with day trips, special events, and monthly luncheons, while providing a consistent series of craft projects, seminars, Bingo, and Holiday activities for Seniors. The support of our Volunteer Senior Citizen Coordinator has been the most important factor in the Center's ability to provide these services to local Seniors.

Jackie Cowell
Executive Director

THE CONTOOCOOK AND NORTH BRANCH RIVERS LOCAL ADVISORY COMMITTEE

The Contoocook and North Branch Rivers were designated into the New Hampshire Rivers Management and Protection Program (NHRMPP) in March 1991. The program establishes a statewide rivers program based on a two-tier approach to river management and protection: state designation of significant rivers and protection of instream values and local development and adoption of river corridor management plans to protect shorelines and adjacent lands.

The Contoocook and North Branch Rivers Local Advisory Committee is made up of individuals nominated by the Selectmen and City Council Members from the thirteen communities bordering these rivers. Final Committee appointments are made by the Commissioner of the Department of Environmental Services, the Department charged with the administration of the NHRMPP. The Committee is charged with: (1) commenting on (in an advisory capacity) local, state, and federal permit applications that affect the rivers, and (2) developing a local river corridor management plan. As the name implies, a local river corridor management plan is a locally-developed and adopted plan which, with citizen input, is tailored to fit each area of the river corridor and discusses recreational and non-recreational uses, access points, and setback requirements among others. The Committee is presently creating a survey which will be distributed to riparian owners and other local people to help the Committee determine how people feel about existing and future planning of the rivers. Your local representatives on the Contoocook and North Branch Rivers Local Advisory Committee are Roger Belson (428-3262) and Kenneth Ward (428-7118). The Committee meets monthly in Hillsborough. Please feel free to call your representatives for further information.

INDEPENDENT AUDITOR'S REPORT

Board of Selectmen
Town of Henniker, New Hampshire

We have audited the accompanying general purpose financial statements of the Town of Henniker, New Hampshire, as of and for the year ended December 31, 1991, as listed in the table of contents. These general purpose financial statements are the responsibility of the Town's management. Our responsibility is to express an opinion on these general purpose financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the general purpose financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the general purpose financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall general purpose financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

The general purpose financial statements referred to above do not include the General Fixed Assets Account Group, which should be included in order to conform with generally accepted accounting principles. The amount that should be recorded in the General Fixed Assets Account Group is not known.

In our opinion, the general purpose financial statements referred to above present fairly, in all material respects, the financial position of the Town of Henniker, New Hampshire, as of December 31, 1991, and the results of its operations and cash flows of its Nonexpendable Trust Funds for the year then ended in conformity with generally accepted accounting principles.

RD 9, BOX 19B • LACONIA, NEW HAMPSHIRE • 03246

Our audit was made for the purpose of forming an opinion on the general purpose financial statements taken as a whole. The individual fund statements and schedules listed in the table of contents are presented for purposes of additional analysis and are not a required part of the general purpose financial statements of the Town of Henniker, New Hampshire. Such information has been subjected to the auditing procedures applied in the audit of the general purpose financial statements, and, in our opinion, is fairly presented in all material respects in relation to the general purpose financial statements taken as a whole.
